Founding Proclamation

Document No: BHF/003/2025

Date: 5 June 2025

By the mandate of vision and the authority of foundational intent, it is hereby proclaimed that:

The **Bhoomi Federation** is formally established as a sovereign nation — not defined by geography or inherited borders, but by a unifying philosophy and the willful association of individuals committed to truth, harmony, and purposeful living.

The Bhoomi Federation constitutes a **union of people**, united under a shared banner of values: clarity of thought, ethical governance, dignity of individual existence, and collective peace.

Founding Declarations:

1. The **Bhoomi Federation** is constituted as a free and sovereign philosophical nation.
2. The **date of foundation** is established as **June 5, 2025**, to be commemorated annually as the **National Day of Bhoomi**.
3. Leadership shall be entrusted to the office of the **Chief Architect**, who shall oversee the development of foundational frameworks, civic structures, and the articulation of public principles.
4. The Federation exists as a model of intentional nationhood — guided by conscience, created through design, and upheld by voluntary citizenship.
5. All individuals aligned with the ideals of Bhoomi may associate themselves with the Federation, contribute to its evolution, and participate in its shared future.

This declaration is entered into the official record as the founding act of the Bhoomi Federation and shall serve as the sovereign origin of its existence and legitimacy.

Issued under my hand on this Fifth Day of June, Two Thousand and Twenty-Five,
in the First Year of the Bhoomi Federation

Signed,
Melvin Varghese
